No Foundation For Report.

The Georgetown Times says there is no foundation for the report printed in several papers that Judge Jas. E. Cantrill contemplated resigning his seat on the bench of the Court of Appeals at the approaching term in September.

Branches Out.

Yellow fever is branching out from New Orleans and has reached Mobile and Montgomery, Ala. The following is latest report from New Orleans and the record up to 6 p. m. Tuesday: New cases, 42. Total cases to date, 346. Deaths to-day, 6. Total deaths to date, 68. New foci, 4. Total foci to date, 50.

Nicholas Grants Right-of-Way.

The Nicholas Fiscal Court granted the right-of-way through Nicholas county to the Paris, Millersburg and Carlisle Traction line. J. N. Kehoe says the entire stock has been subscribed, and as soon as the right-of-way can be secured for the entire line the money will be furnished by Eastern men to build the road. He also said that the surveyors would be in the field within the next two weeks surveying the right-to-way.

Witte Denies Interview.

A staff correspondent of the Herald on board the steamer Kaiser Wilhelm der Grosse sends his paper the following dispatch by wireless telegraph: "M. Witte, the Russian Envoy, said Tuesday night:

"I am afraid that negotiations will be ended within a week, as the Japanese conditions will be so intolerable as not to admit of discussion."

Upon the arrival of Sergius Witte, Wednesday afternoon, he most emphatically denied saying the above.

Joe Forsyth Operated On.

Joe Forsyth, brother of A. T. Forsyth, of this city, submitted to an operation for the removal of a bullet in his right knee, at a hospital at Washington, D. C., several days ago. The wound was received 23 years ago in Texas. The surgeon writes that the ball had flattened like a coin and was firmly wedged between the large bones of the knee, and was removed with difficulty. The patient rallied from the operation and is getting along nicely.

Mr. Forsyth was formerly a Deputy Sheriff of Bourbon and the Town Marshal at Millersburg.

Up to the People.

The Opera House Company has made good and the NEWS cannot offer another adverse criticism to the Paris Grand.

The company has made water connection, thoroughly cleaned and renovated the house, put down new pavement, cut the weeds and opened with a good attraction, the Jewell Kelley Stock Company, without doubt one of the best 10, 20 and 30 cent shows that ever played in the house.

The ladies toilet room is looked after by a colored maid, and in fact the house is now being run in true metropolitan style.

The Opera House Company has employed Mr. S. E. Borland as manager, a man who has had the experience and understands the business from a to z.

Mr. Borland has already booked a number of first-class attractions, and it is now up to the people whether they give patronage to the house, for there is not a kick of any kind that can be sprung against the house or manager. He promises the best of attractions if the public will do its part and give the house a hearty support.
